 Power consumption: 4,5 watts max
 Dimensions (lid closed): 415 x 112 x 335mm (WxHxD)
 Dimensions (lid open, 90°): 415 x 365 x 390mm (WxHxD)
 Weight: 5,0 kg

Essential III HP - for the modern listener

The Essential III HP brings all the benefits of the Essential line up but adds a dedicated headphone output. The Essential III HP offers effective decoupling with special feet, a rigid MDF chassis, a carefully selected Ortofon cartridge with matching arm and an ultra precise DC motor control. The diamond cut aluminium pulley brings excellent power transmission to the table, for a smooth running platter and the best sound experience.

Essential III HP is the perfect partner if you want to enjoy your vinyl collection with headphones. The 6.35 mm output on the front offers the option to listen to your records in a more intimate and private way, making sure you don't disturb others.

It is perfect for small places - when you do not have space to set up multiple boxes and run cables. The Essential III HP drives your favourite pair of headphones without any compromises in sound quality. Easy setup, clean looks and fantastic sound!

One piece 8.6" aluminum tonearm
Cartridge: Ortofon OM10

Diamond-cut aluminium drive pulley:
precise power transmission

Built-in DC-powered motor control:
better speed stability with
minimized speed drift

Main platter bearing with low tolerances:
reduced rumble, reduced
wow & flutter
